

Data Collection for Ministry Impact

Some things to consider for data input: We're looking for impact on holiness prior to external progress!

How many OLOL members involved each day/week? **What works of mercy/charity/etc?** Who, and how many were impacted? Etc. Stories of growth in holiness, souls saved, etc.?

If you need more space to report please send it in email to lbest@ourladyofloreto.org

Examples

These past bulletin reports are an example of some useful data, not meant to exclude other kinds of possible data.

Parish Impact thru St. Vincent de Paul
Your **donations of food & money** from October 2007—September 2008 provided help to 171 people for food valued at \$3,850. **The value of the impact on the interior life of recipients is un-measurable.** We visited **109 families**, and **236 phone contacts** for a total of **443 families** who were helped with rent, utilities, and other various needs. In total we helped **723 people with Mercy & Love!**

It is your gratuitous Faith that has made all of this possible & we thank you for your kindness. God bless you and have a Happy, healthy New Year.

Parish Impact thru Caring Hands
Your works of mercy/charity thru Caring Hands supported numerous patients at **Spaulding Rehab, Ronald McDonald House, and various local hospitals** with therapy throws, adult bibs, walker bags, etc. **In all, 982 items were donated** including **131 donations** from non-OLOL crafters. **30 therapy throws** went to **Cherry Creek Nursing Home** for their Christmas party and the residents were thrilled. There are **approximately 10 OLOL members** regularly contributing to Caring Hands. Thank you Caring Hands!
